MEMORANDUM

Reference: NWCG#040-2010

To: NWCG Committee Chairs
Geographic Area Coordinating Group (GACG) Chairs
National IC/AC Council Chair

From: NWCG Chair *William Raage*

Date: September 7, 2010

Subject: Revised *Interim NWCG Minimum Standards for Medical Units Managed By NWCG Member Agencies*

On March 25, 2010, a NWCG Memorandum (NWCG#015-2010) was sent attaching the *Interim NWCG Minimum Standards for Medical Units Managed By NWCG Member Agencies* as Attachment A.

The original document, on Page 2, stated:

“The Interim NWCG Minimum Standards for Medical Units is designed to be utilized as a baseline or minimum expectations for EMS personnel and services associated with Federal wildland fire incidents.”

The revision states:

“The Interim NWCG Minimum Standards for Medical Units is designed to be utilized as a baseline or minimum expectations for EMS personnel and services associated with wildland fire incidents managed by NWCG member agencies.”

These interim standards will be in electronic format only; no hard copies will be printed or distributed via the Publication Management System. These standards can be found on the Incident Emergency Medical Subcommittee’s website at:
