STANDARD OPERATING PROCEDURES

ALCOHOL USAGES ON WILDLAND FIRES

INTENT

This SOP provides policy guidance as to the use of alcohol on wildland fires.

PROCEDURE

The (Agency Name) has a zero tolerance policy for use of alcohol on wildfires.

Division employees will not consume alcohol while assigned to a wildland fire. This includes the use both in assigned status and while in fire camp.

Firefighters in fire camp can be called to duty in situations where they are immediately needed such as a new start, a blow up on the fire. This readiness need precludes them from consuming alcohol.

Employees that engage in such behavior are subject to disciplinary action.
