Change: ILSC requests review and consideration for change of ACLC qualifications for maintaining currency. Currently in 310-1 and on NWCG position website, serving as a LSC1 does not maintain currency for ACLC. This is in contrast to other Area Command positions which have a listing of T1 positions maintaining currency.

ILSC has discussed the change and agree that LSC1 should be added to maintain currency for ACLC. The change for ACLC could reflect the same maintain position currency qualifications as ACPC.
