DESCRIBE THE PROPOSED CHANGE (Provide a concise description):

Move READ and REAF to 310-1 and creating a taskbook

DESCRIPTION OF ISSUE/REASON FOR CHANGE (Provide a concise overview and background):

Resource advisers are ordered to the majority of long duration fires under the Forest Service's jurisdiction. The positions have become a crucial part of fire operations and qualifications are given more due to need than experience. Moving the position to the 310-1 and creating a taskbook would create consistency and experience to a position that is frequently on the fire line.

SYSTEMS AFFECTED BY CHANGE (i.e. ICS Function, Operations, Information Technology, Equipment, etc...):

Operations, IQCS, ROSS

➤ **Important:** Attach any supporting documentation that may help to further explain the requested change.
