

## Buying Team Restricted Purchasing 2025

In effort to focus purchasing support on the higher priority items, the following items are not to be purchased through the buying team in the 2025 season. S# may be issued for the IMT or resources to replace consumed items upon completion of the assignment, following NWCG Standards for Interagency Incident Business Management guidelines outlined in Chapter 30. Items available in the cache will not be purchased locally unless the cache is depleted or it's a critical need.
