Curriculum Management Issue Paper #152

Removal of X-903, Mountain Flying Training from NWCG Curriculum

5/15/2026

BACKGROUND

The NWCG Training Program has been informed by the National Interagency Aviation Committee that the X-903, Mountain Flying Training course is no longer used by the interagency pilots who were the target audience for the course.

CURRENT STATUS

The X-903 Course is listed as an item in the NWCG Course Catalog.

RECOMMENDATION

Because the course is no longer used or needed, remove from the NWCG Course Catalog and mark the course as archived/decommissioned in the NWCG Curriculum History.
