Schedule:

NEXT MEETING: September 22, 2023, 1300-1500

Agenda:

1. Face to Face Meeting Reschedule

In person meetings seem to have more success than Teams, especially when discussing Bucket 3.

There could be a possibility to meet in January when FMB/CGAC/NMAC meet.

January 29 week in Denver. -Support

2. Chair/Vice Chair

Derrek has discussed chair transition with FMB representatives and chair.

Most committees rotate chair position every year or two.

It has been good having one chair for so long from a continuity standpoint.

Derrek's position at the NICC lends its position well with the proximity with so many fire directors and PS.

No matter what, there will always be the connection with the NICC and PS in the national office.

The charter states that the chair will rotate membership every 2 years.

Recommend following the charter.

There needs to be volunteering and dialogue among PSOG to decide who the next chair should be rather than a planned rotation.

Revisit chair and vice chair transition in January.

3. Admin

Derrek spoke with NWCG regarding the website and posting the PSOG documents.

Alvira has the complete roster that will be listed as well as all the notes back to 2019.

Everyone is welcome to join the National PS Meeting in Phoenix Dec 3, 4, and 5 at the BLM National Training Center.
