**To:** Chair, National Interagency Aviation Committee  
**From:** Chair, Interagency Helicopter Operations Subcommittee

### **BACKGROUND:**

The IHOPS subcommittee discussed and voted during our January meeting to continue the EHE (Emergency Helicopter Extraction) source list.

### **RECOMMENDATION:**

The IHOPS Subcommittee is recommending through NIAC that the EHE source list be continued as an Interagency Emergency Helicopter Extraction Source List. We support the document being housed within the NWCG website while being maintained by a unit under IHOPS.
