

National Wildfire Coordinating Group Incident and Position Standards Committee

Date: November 2, 2020

IPSC 2020-13

To: Justin Jager, Chair, Interagency Fire Unmanned Aircraft Systems Subcommittee
From: Thomas M. Hayes, Chair, Incident and Position Standards Committee
Subject: Update S-373 Unmanned Aircraft Systems (UAS) Incident Operations

This memorandum is in response to the Request for Change (RFC) that was submitted on May 18th, 2020, by Justin Jager on behalf of the Interagency Fire Unmanned Aircraft Systems Subcommittee (UASSC). The Incident and Position Standards Committee (IPSC) has approved the request to update S-373, Unmanned Aircraft Systems (UAS) Incident Operations.

IPSC recommends that the UASSC coordinates implementation of the requested S-373 changes with the NWCG Training Development Program Manager and the Training Delivery Committee.

If you would like to discuss further, please feel free to contact myself or Mike Black, Vice Chair, Incident Position and Position Standards Committee.
