SUBJECT: Congratulations

To: Hilary Shook, April Cook, Amber Sunderland, and Amy Harpole

The National Coordination System Committee (NCSC) would like to congratulate the Dispatch Recorder (D-110) re-write group on the excellent work and successful delivery of the new course curriculum through both an Alpha and Beta class to completion.

Undertaking a rewrite of a well-established course to align with and interact with a new application is a difficult and challenging task. Your professionalism, innovative approach, and dedication to be successful in this undertaking has made a significant contribution to the National Dispatch and Coordination System.

Thank you for all your hard work!
