

NATIONAL WILDFIRE COORDINATING GROUP

National Coordination System Committee (NCSC) Memorandum 25-01

March 14, 2025

TO: Geographic Area Coordination Center Managers
FROM: National Coordination System Committee (NCSC)
SUBJECT: Member Recruitment for NCSC

Purpose: Membership recruitment for the NCSC for one representative from a tier three dispatch center and one state representative from a dispatch/coordination center.

Background: Last month, one former state representative and one former local dispatch center representative stepped down from their membership from NCSC. NCSC is currently recruiting for a nomination from each geographic area with the below considerations taken into account.

Issue/Action Requested:

1. Two nominations from each geographic area - one representative from a tier three dispatch center and the second for a state representative from a dispatch/coordination center.
2. Nominated member will have a broad knowledge of national, geographic and local area resource mobilization procedures and be minimally qualified as a Supervisory Dispatcher Trainee.
3. The sponsoring member's home unit will be responsible for providing salary, travel and per diem monies. If funding is not possible, NWCG may be able to assist in financial support.

All responses should be sent to Sean Peterson (speterson@blm.gov) by April 11, 2025. In the response, please submit a brief synopsis of experience within the dispatch and coordination system. One individual from a state dispatch/coordination center and one individual from a local dispatch center level will be selected at the NCSC monthly meeting in April.

Thanks,
