

6 Minutes for Safety Meeting Agenda/Notes

January 16 @ 9:00AM MST

Topics and Notes

Announcements & Housekeeping:

- Roster Attendance
- Webpage updates
 - To include working groups
 - Webpage input/suggestions from committee?
- NWCG Budget Request:
 - Videography/animation: Juan to support
 - Spanish translation: Rudy to support

Items For Review Updates:

- Solar Farms (Ben)
 - Support for Solar Farms and Marijuana Farms in current draft form
- Marijuana Farms (Dr. Curry)
- Out of Area Assignment (Juan, Zeb, John)
 - Agree to split into 2 separate topics (US and Intl.) and provide resources/links/citations to regional best practices + link to “current” Lessons Learned
 - Much conversation about collaborating with LLC to form a curated map (living on 6MFS page) to share lessons from geographic areas and abroad

Working Group Updates:

- Environmental Hazards (Dr. Kathleen DuBose, Molly, Travis)
 - Topic to define environmental hazards and a 101, also updating existing topics
- Fatigue and Recovery (Dr. Joe Sol, Brandon, Ben)
 - Focus on mental/physical fatigue sources/symptoms and recovery
- Mental Health (Dr. Patricia O’Brien/Cole Whelen, Skylar, Rudy, Dr. Curry)
 - Building a toolbox to increase awareness of resources, updating old topics, looking to create a mental health category on 6MFS
- Fire Environment (Naomi Corkish, Juan, Zeb, John)
 - Focusing on Haines/LAL, a good replacement for LAL but not for Haines
 - Working with Fire Weather Subcommittee and Mike Proud

WOR Process Update (Travis, LLC):

- Erik Apland to join as LLC Liaison to 6MFS
- Discussion leading to consensus vote to approve written protocol for Lessons Learned Center to support Week of Remembrance by selecting 5 incidents from 10 years prior and providing resources/content on those incidents.
- 6MFS members will still write the daily content. Short (3-4 sentence) intros will acknowledge Yarnell and South Canyon on days 1 and 7.
