

6 Minutes for Safety Meeting Agenda/Notes March 27 @ 10:00AM MST

Topics and Notes

Announcements & Housekeeping:

- Roster Attendance
- Webpage Updates
- Potential Topics from <https://wffoundation.org/100fires?>
 - Ben will confirm permission to use information from 100 Fires project for new TDIH creation.

Items For Review Updates:

- Dr. Curry, “Bugs we Hate”

Working Group Updates:

- Environmental Hazards (Dr. Kathleen DuBose, Molly, Travis)
- Fatigue and Recovery (Dr. Joe Sol, Brandon, Ben)
- Mental Health (Dr. Patricia O’Brien/Cole Whelen, Skylar, Rudy, Dr. Curry)
- Fire Environment (Naomi Corkish, Juan, Zeb, John)
- Finished drafts due 3/27

Week of Remembrance:

- Report on Days 1-7:
 - Day 1 Intro and Yarnell Recognition
 - Skylar and Savannah: Introduction to Week of Remembrance, focus on Granite Mountain (June 30th).
 - Challenges: Finding April 7th information (Matthew Miller).
 - Approach: Historical information and individual hyperlinks.
 - Feedback Needed: Input on questions, ensuring enough material for discussion.
 - Suggestions: Consider compressing content with tables.
 - Day-2 ID BLM PT Fatality
 - Brandon Henkla and Team
 - Incident summary, recognition of Terry.
 - Issue: Difficulty maintaining one-page format.
 - Suggestions: Creative compression and use of imagery.
 - Day-3 DeSoto Helicopter Crash
 - Rudy and Savannah: DeSoto incident.
 - Focus: Synopsis and discussion points.
 - Challenges: Lack of information on non-fatality injuries.
 - Feedback Needed: Detail in synopsis, discussion point clarity.
 - Suggestions: Incorporate discussion on responding to downed aircraft.

6 Minutes for Safety Meeting Agenda/Notes

March 27 @ 10:00AM MST

- Day-4 Frog Fire Fatality
 - Juan and Eric: Frog fire incident.
 - Content: Summary, discussion points on scouting.
 - Additional Resources: Other scouting-related incidents.
 - Feedback Needed: Consistency in references, emphasis on radio vs. cell phone communication.
- Day-5 Sierra Fire Fatality
 - Molly and Troy: Tree incident with multiple injuries.
 - Focus: Perception of risk and can-do attitude.
 - Feedback Needed: Messaging clarity, use of survivor names.
 - Suggestions: Connect with Matt Carroll for insights.
- Day-6 Twisp River Entrapment
 - John: Twisp Fire
 - Focus: Multi-agency response challenges.
 - Discussion Points: Probability of success, disengagement, past success as (false) predictor of future success.
 - Feedback Needed: Editing for length and clarity.
- Day-7 Closing + South Canyon Recognition
 - Ben and Zeb: Aim is to refocus on applicable lessons learned from the week.
 - Discussion Points: framed within each lesson learned.
