

Fire Environment Subcommittee (FESC)

July 23, 2026

Meeting Notes:

- Cheryl Bright asked about meeting cancellation due to National Preparedness Level 5, Sarah advised that if meetings need to be cancelled, they could notify the NWCG Coordinator (her in the interim) to cancel the meeting.
- Introductions were made; it was a small group attended the meeting due to activity.
- Sarah discussed the updates to the NWCG websites and processes.
- Cheryl discussed the potential realignment of the positions and courses between the FESC and the Fire Analysis Subcommittee (FASC) that was discussed at the Fire Planning Management Committee (PMC) meeting, including possible subcommittee name change.
- FESC may oversee the Strategic Operational Planner (SOPL) position and future Incident Performance and Training Modernization (IPTM) review of the position.
