DECISION LOG

Topic: Sagebrush Steppe Sage STEP treatment Evaluation Project

Presenter: James Mciever

Discussion/Considerations: James shared progress report. The decision not to print the 10 year Post-treatment Fuels Guide last FMC, so a cell phone app will be coming out in June instead of a printed guide.

Decision: N/A

Topic: IFTDSS Field UAG Document Update

Presenter: Hanry Bastian and Carolyn Noble

Discussion/Considerations: Finalizing of the UAG documentation and how it relates to the Signed Charter. As far as SOP's, let not changes things right now, its working.

Decision: Henry will update and send it to Angie for the FMC. Prior to next meeting, Angie will try to gain FMC review.

Topic: FIRB Incident Position Descriptions (IPD)

Presenter: Angie Simpson

Discussion/Considerations: NWCG did get comments unrelated to the FIRB IPD. FMC will deal with comments as NWCG sends them. Main item is fitness is not an element of this IPD. So the FIRB Arduous vs Moderate will be discussed next meeting once FMC reps can get agency feedback.

Decision:

FMC will work next meeting to consolidate FMC comments to the FIRB IPD.

Topic: RXB1/2 Incident Position Descriptions (IPD)

Presenter: Deb Fleming for Ben Iverson

Discussion/Considerations: Ben Iverson is going on a detail, but is willing to sit down with FMC to move forward with the RXB1/2 IPDs before handing these off to another training specialist (likely LeighAnne Squires-Kazimir).

Decision:

Ben's will set up meeting on 5/22 from 9-11.
