DECISION LOG

Topic: Review February, March, and April Decision Logs

Presenter: Angie Simpson

Discussion/Considerations: Approve with recommended changes.

Topic: RXM Qualifications

Presenter: Angie Simpson

Discussion/Considerations: IPSC, previously OTC, voted on the change of request to approve going to one qualification. RXM is the overall manager, the crew running the burns underneath do not need to have the same qualifications. Similar to the duty officer and not all duty officers are going to be RXB1 or 2.

Decision: FWS, States, BIA, and NPS are in agreement of the change of request.

Topic: FUSC Members

Presenter: Angie Simpson

Discussion/Considerations: Discuss additional members that were solicited. Primary member can be the voting member and as tasks require, they can pull from list of additional members.

Topic: FEIS Update

Presenter: Llana Abrahamson

Discussion/Considerations: Llana gave a brief update and shared a PowerPoint: FEIS - Research syntheses on species and ecosystems and their relationships with fire.

Decision: Discussion only.

Topic: PMS 501 Review NWCG Standards for Aerial Ignition

Presenter: Angie Simpson

Discussion/Considerations: Reviewed proposed edits of the NWCG Standards for Aerial Ignition. Andy suggested removing supervisor from document. Angie and Frankie will work together and make any changes relevant to FMC.

Decision: Angie will run final edits through the UAS chair. Deb said submit any additional changes on the document to Jesse. Wait to include Aerial Ignition statement on the Firing Boss IPD.

Topic: IFTDSS Tech Transfer Follow Up / Fuels Discovery

Presenter: Jason Fallon

Discussion/Considerations: Jason reviewed the Alternatives Analysis and Cost Benefit. Frankie stated that the FS Fuels Academy can assist with additional UAG training. Overall, there isn't new users to throw at this with the exception of the FS. Okay with working on the training and getting the risk module wrapped up, back off on future developments, with the exception of burn plan developments. More effort using the RDNA and UAG folks.

Fuels Discovery discussion: Jason and Angie will send out a doodle poll to meet.

Decision: Discussion only.

Topic: Round Robin

Presenter: All present committee members.

ACTION ITEMS OR ASSIGNMENTS LOG

Name: Angie and Frankie

Assignment: Combine comments for Aerial Ignition PMS 501.
