  - No new updates
- **NWCG Airtanker Base Directory App**
  - The IABS is continuing to work on an app for the directory.
- **NWCG Airtanker Base Directory Unit**
  - No new updates.
- **NWCG Standards for Airtanker Base Operations (SABO)**
  - No new updates
- **Contract Alignment**
  - A group of SMEs have been working on making recommendations to align the contracts. Modifications are being sent out as the Contracting Officer (Matt Olson) makes them.
  - The group has finished making recommendations to Section C and waiting to see if the CO will make the contract modifications.
  - The group will not reconvene until modifications are made for Section C.
- **CPARS**
  - A Survey Monkey was created for airtanker base personnel to provide feedback on airtanker vendors. This will assist the CO in accurately completing the CPARS for each vendor. The draft was sent to Paul Linse. Paul will be working with the CO and the Program Manager to finalize it.
- **Aircraft Time Keeper (ATIM) Qualification**
  - OTC reviewed the request for granting competency for qualified airtanker base managers to be ATIMs and approved.
  - The implementation plan will start on October 1, 2019.

- **Ramp Operations Group**

- The group will stay intact, however there are no taskings at this time.
- Paul Linse will notify the group of the pause.
