- **NWCG Airtanker Base Directory / Directory App**
 - The Directory App does not have a specific date on when it will be ready.
 - The Airtanker Base Directory Unit will be reviewing the information in the app to verify accuracy, etc.
- **Standards for Airtanker Base Operations Unit (SABO)**
 - No new information.
- **Airtanker Base Training and Qualifications Unit (ABTQU)**
 - The ABTQU provided extensive information to the IABS for each of the airtanker base positions. It was sent to NIAC and NIAC sent it to IBC. IBC was satisfied with the information that was provided and it will be reviewed for consideration to the 2021 AD Pay Plan.
- **Airtanker Base Operational Risk Management Unit**
 - The IABS website now has a link to the Operational Risk Management Unit, populated with the Mission Statement and the Unit Roster.
 - A tasking will be created for the Unit to work on a GAR Model (Green-Amber-Red) Risk Assessment for airtanker bases to utilize.
- **IABS Recruitment**
 - The recruitment process was successful and volunteers were placed into each of the Units.
- **2021 Airtanker Base Manager Workshop**
 - The IABS will be planning on holding the Workshop virtually in 2021. It will likely be the first week in February.
 - The Airtanker Base Training & Qualification Unit will plan the agenda.
 - Details will be forthcoming, but it will likely be two days long with a third day specific to SEAT Managers.
