- **NWCG Airtanker Base Directory / Directory App**
 - The directory is now available through EGP.
 - The Directory Unit will be following up with bases that have incomplete information.
- **Standards for Airtanker Base Operations Unit (SABO)**
 - The IABS and the SABO Unit went through the 2021 SABO page-by-page. Comments from the field were incorporated into the publication and the IABS discussed each of the proposed changes.
 - Once completed it will be given to NIAC for approval and then moved into electronic publication.
- **Airtanker Base Training and Qualifications Unit (ABTQU)**
 - The AD Pay Plan was released for 2021 and the proposed changes for many of the airtanker positions were adjusted.
- **Airtanker Base Operational Risk Management Unit (ABORMU)**
 - The Unit is working on a Green Amber Red Risk Assessment that can be universally utilized across airtanker bases.
 - The GAR was reviewed by a small group of people for comments.
 - The goal is to have it ready for full dissemination in the coming months.
- **2021 Airtanker Base Manager Workshop**
 - The Airtanker Base Qualifications and Training Committee is working to post the recordings from the Workshop in The Wildland Fire Learning Portal.
- **IABS Personnel Changes**
 - Matt Woodwick has been selected to be the NIAC representee for the Eastern states. He will no longer be able to be a part of the IABS. His replacement is Dustin Martin from Cal Fire
 - Kristina Curtis will be transitioning off the IABS and the newly hired SEAT Coordinator, Angie Forbes will fill in behind her in the coming months.
