COMMENTS

AGENDA ITEMS

Topic: Committee Additions

Presenter: Tim Whitesell

Discussion/Considerations:

- Duane Morris, AK State

Decision:

- Duane will be shadowing and eventually transition out with Tim Whitesell

Topic: PMS 505 Change Requests

Presenter: Skyler Dalton

Discussion/Considerations:

- 4, 2025 Aerial Supervision Requirements
 - NASF-W: the proposed text is a little clunky, suggests rewording it so it matches with the Redbook. The Redbook verbiage is a little cleaner.
 - NASF-E: agree to change verbiage to match the Redbook.
 - BLM: agree with ad ok with the way the proposed text is written.
 - FS: the way the proposed text is written gives flexibility for the aerial supervision requirements. The PMS 505 is a supplemental to the Redbook. Keep as is.
 - BIA: Would like to revisit to get the wording right and so it reads appropriately.
- 3, 2025 has been submitted to NWCG and the website has already been updated with the correct changes.

Decision:

- 4, 2025: Recommendation for NASSU to talk to the submitter to confirm the Redbook verbiage. Will leave as is and will revisit during the next meeting in May.
