3	Division of Work	2019-02	Greer	<ul style="list-style-type: none"> • Discussed how the work should be divided. • The primary task of this group is to develop IPDs. The question was asked do we want to get together and work on them or do them remote? Should we do them one at a time or all together? • There is a lot of validity to face to face meetings and they may be more productive as we move forward, but it might be hard to get together right away due to time of year. • The group agreed on the idea of tasking them out to subgroups/people and when they get their work done getting together for a face to face meeting. • IPD assignments were made. • It was decided that folks would try to have a draft done for their IPDs for the call on 1/8/20. • Brian Harrison will be technical contact if anyone needs assistance during IPD development. 	<p><u>Decision:</u></p> <ul style="list-style-type: none"> • Each take one IPD, utilizing IPDs already complete as a template, and then meet later to finalize. <p>ACDR-Rick Young AREP-Shane Greer ICT1-Bob Gear ICT2-Les Rogers ICT3-Brad Sawyer ICT4-Jon King ICT5-Carlos Nosie LOFR-Ken Paul</p>
4	ICT3 Fitness Standard		Greer	<ul style="list-style-type: none"> • Deb received an email that posed the question whether the ICT3 position still needs to be arduous or if it could be moderate. The person didn't feel ICT3 should be remain arduous with what the job now entails. • Type 3 IMTs are different than the regular Type 3 ICs, so it does warrant future discussion. • Everyone will gather feedback from their folks and think about this proposal. It will be discussed as a decision topic on January 8.
