	Topic	Action Item #	Presenter	Notes	Action/Decision
1	ORDM PTB Changes and Open Unit Leader		Chris	<ul style="list-style-type: none"> Do we need to do a RFC (Request for Change) – YES, it is the right process Chris will work on getting the RFC submitted 	
2	CIMT		Deb	<ul style="list-style-type: none"> The transition plan for the pilot phase is out and set to begin May 2022 There was a memo released last week for the Risk Analysis for the summer. <ul style="list-style-type: none"> 2023 Pilot Year as well. There will be an AAR at the end of the year of how the pilot programs went There has been no feedback yet from the Pilot Teams 2024 is the transition year for CIM All regions are approaching CIM differently for competency <ul style="list-style-type: none"> The Field Evaluation form needs to be used Recommendations for a Type 1 qualification are still at the Regional Level The workload for CIM transition is still being figured out 	
3	O-305		Deb	<ul style="list-style-type: none"> Agencies were not able to come to a decision for Type 3 O-305 Training Amend the tasking to add into the Type 3 training recommendations A draft is circulating among the Executive Board 	
4	RT-130 Requirement for EQPM and DRIV		Chris	<ul style="list-style-type: none"> Sue sent the information for the R5 VIPR agreements that require RT-130 DRIV is agency specific EQPM is an NWCG position, and the curriculum can be changed 	
5	COMT		Chris	<ul style="list-style-type: none"> A task team to review the addition of S-130, S-190, and L-180 Queries to be sent to COMLs and COMTs on how much time a COMT realistically spends on or near the line The task team never really got off the ground, but some recommendations came in Comments and thoughts from the group? <ul style="list-style-type: none"> Yes, COMTs should have the additional training Eric – yes and no. would like to speak with more COMT/COMLs 	<ul style="list-style-type: none"> Yes, on S-130, S-190, and L-180as requirements for COMT

				<ul style="list-style-type: none"> ○ S-130, S-190, and L-180 can be completed online ○ George – yes, to have the basic knowledge ○ Kate – support the training ○ Chris – do we vote now on the training requirements or wait until July? ○ Mike – sounds like all agree on the knowledge base • Chris – do we Grandfather in the currently qualified and require the classes for the new COMTs? <ul style="list-style-type: none"> ○ Deb – when a new training requirement comes in all the qualified personnel are grandfathered in. If still a trainee, then they would meet the new requirement • Chris – do we need a transition plan with an RFC? <ul style="list-style-type: none"> ○ Deb – no, just an RFC with the explanation to IPSC transition for January 2023. If the IPSC accepts the RFC then a transition plan is written • Chris – do we put into the transition plan that S-130 and S-190 are strongly encouraged for the qualified if they haven't taken it? <ul style="list-style-type: none"> ○ Deb – yes, that can be added to the plan • Chris will add to the RFC list 	
6	General		Chris	<ul style="list-style-type: none"> • Chris's time is limited on the committee due to taking a new job within the NPS. • Deb to retire 7/30/22 • Sarah Lee is the new NWCG Coordinator to the ILSC
