

IOSC CALL NOTES – 11/12/19

Members Present:

- Eric Fransted
- Darren O’Laughlin
- Troy Phelps
- Ben Oakleaf

Advisors Present:

- Deb Fleming
- Mike Black
- Erin Burkhammer

Not Present:

- Patrick Morgan
- Dave Larson
- Leander Real Bird
- Mark Redfox
- Rich Gray

Agenda Topics:

1. **New Membership** – Welcome to two new BLM reps to replace Scott Lucas.
 - **Darren O’Laughlin** – Jackson IHC Supt.
 - **Eric Fransted** – BLM Idaho State AFMO
 - **Rick Young (NPS)** has moved on – looking for two new NPS reps to replace him.
 - To help with versatility and participation, looking to replace reps with two people when an opening occurs. Hopefully this will help provide a broad perspective on the topics and for tasks, and increase membership over time and avoid a big influx of new members at once.
2. **OTC is now IPSC – INCIDENT and POSITION STANDARDS COMMITTEE.** IPSC is still our parent committee just with a new name.
3. **HEQB Span of Control Tasking.**
 - **THANKS to RICH and LEANDER for their help on this tasking, their perspective and feedback was extremely important.**
 - Please review the tasking response (attached) so that we are up to speed on this issue. I think this issue will come back to our committee in the form of actually defining the span of control at the single resource boss level.
4. **A Hazmat term is incorrect in the IRPG.** – Patrick has the email and logged it.
5. **IRPG Change Request Form Status** – OMB did not like the original, so still working through getting it approved.
6. **Providing Feedback on illustrations for the 10 & 18** – Similar to the old cartoons, NWCG is creating new illustrations to accompany the 10 & 18. We will be used to provide feedback as they get completed.
7. **Burkhammer updates** –
 - **S130 Update** – Field testing of the new course will occur in June, 2020. We will be used to provide some feedback on course objectives as they come up.
 - **IPDs** – Writer/Editor will be making grammatical changes, but nothing substantial.
 - **DIVS** – Earlier feedback we provided last year suggested removing the requirement to be English speaking. **CONFIRMING THAT IS THE CASE?** – Provide me your feedback by next week so we can get it to Erin. **BACKGROUND:** If I remember correct, we wanted it removed because we felt that someone could not get that qual without that ability, therefore it was redundant.
 - **DIVS** – Minor tweak to the statement regarding developing a plan. See the email from Erin and provide feedback by next week.

Next Conference Call – TUESDAY, DECEMBER 3rd at 1030 mst.

Conference Call # will be assigned later.
