Agenda Topics:

1. Committee Roster –
 - Eric will stay on as USFWS rep for now.
2. 18 Watchout Situations Diagrams
 - Previews should be available for next month's call. – Jesse Bender will present some of them next month.
3. Review from last Call - IRPG– Adding “emotional first aid” to IRPG
 - Bodie Ronk and the Safety Committee (Health and Wellness subcommittee) will produce something for us to review.
4. NWCG Glossary Terms –
 - NWCG is in the process of reorganizing and going through the terms so we may see more feedback requests like the STRUCTURE PROTECTION one from last week.
 - Thanks for all the input into the STRUCTURE PROTECTION feedback request.
5. Executive Board accepted HEQB Span of Control Response.
 - Thanks for all the help and input.
6. Burkhammer – S130 Review
 - Will run a “test” course in June, and potentially be ready for final review in Fall of 2020.
 - **Take a look at the S130 Design Document (if you need it, I will email it out)** to provide some feedback to Erin. Focus on the initial structure and organization of the course, there will not be much content in this document. **Please provide some feedback if you have any.**
 - Feedback regarding specific UNITS will be shared soon.
7. S131 Rewrite –
 - Unit 4 needed to be updated to match newest version of IRPG. It was mainly videos, and they are now complete. Colby Jackson will try to share them so we can provide any feedback.
8. FAL1 – FAL3 IPDS – Hazard Tree Subcommittee is starting these IPDs. We will need to provide feedback as we are an important stakeholder in them.

NEXT CALL – Tuesday March 3rd.
