- Leander Real Bird
- Patrick Morgan
- Dave Larson

Agenda Topics:

1. **Staging Area Manager (STAM) IPD – IPD looks good.**
 - **ADD: Bullet pertaining to a Medical Incident occurring in the staging area and the need to coordinate with Safety and have a plan. Info could go under “Coordinate with Safety Officer” or under “Manage Risk Section”**
 - **Will pass recommendation and approval on to Annie Benoit**
2. **18 Watchout Diagrams – Jesse Bender**
 - **Reviewed all 18 diagrams and provided some feedback.**
 - **IOSC accepted the role as the steward (“parent”) of these diagrams from here on out.**
3. **NWCG Glossary update will require more opportunities for feedback on old or antiquated terms.**
4. **S-131 Rewrite – Colby will provide a preview of the PowerPoints when they are ready.**
5. **OSC Standards - I will draft up a proposal to IPSC asking for them to form a task group to develop standards for OSC. I will shoot it out to you guys for your input.**
 - **Task group will be made of OSC from:**
 - i. **Both Type 1 and Type 2 IMT**
 - ii. **All regions (geographic areas)**
 - iii. **All agencies**
 - **IOSC will provide the stewardship for the task group, and members if individuals want.**
6. **New Chair and Vice will be voted on next fall.**
7. **S-130 rewrite will have a test course as SWIFT this May and in Washington this June.**
 - **1-2 weeks Burkhammer will have the S130 link at NWCG up and ready to look at.**

Next Conference Call – Tuesday 4/7/20 at 1000 MST.
