COMMENTS

AGENDA ITEMS

Topic: LPIL Change Request

Presenter: Skyler Dalton

Discussion/Considerations:

- Met with the lead plane group, they all approve of the changes requested.

Decision:

- Met with the lead plane group, they all approve of the changes requested.
- The other working groups (AITS, ATGS, HLCO) have not seen it but it has no impact to them.
 - HLCO and ATGS concur.
- The change requests are specific to the LPIL instructors and evaluation sheets.

Topic: HLCO Change Request

Presenter: Luke Abell

Discussion/Considerations:

National Wildfire Coordinating Group National Aerial Supervision Standardization Unit

- Sequencing portion of the SAS
 - Helicopter routing clearance recommendations
 - Add call for clearance.
 - Add report for clearance.
 - Add the cleared restricted definition.
- RT-378 language, Page 9 of 125
 - Add required elements and helicopter terminology.

Decision:

- Both recommendations have to be vetted through all the working groups and change request forms submitted to NASSU to elevate to IASS.
