### COMMENTS

### AGENDA ITEMS

**Topic:** PMS 505 Working Group

**Presenter:** Chris Tipton

#### Discussion/Considerations:

- Have been tasked by IASS to put a task team together to look at the SAS regarding the sequencing/HLCO
- Want to make the SAS more universal
- Currently Paul Lenmark is reviewing from the industry side/Scooper group
- The new SAS is available.
  - Will not be available to order from the cache, available online only.
  - Maria placed an order for print, 800 for all aviation classes

**Decision:** N/A
