Round Robin /SC Projects Updates <ul style="list-style-type: none">IROC: Bill Fletcher/Beth Spencer<ul style="list-style-type: none">Delay go live of IROC 3/10-12/2020, (integration with IRWIN showed. underestimated complexity, foundational data draw to be ready at estimated 90% and it's not, IROC developed in agile functionality developers were concentrating on training to a program that wasn't ready it train the trainer was delayed., furlough did haven't an impact and use or lose of SMEs) IRWIN will be ready first.Training – Re planning the schedule and training plan. WFL portal for training material. Contractor has brought on more employees for training. Briefing paper on the training details.Dispatch Training SC: Gina Dingman<ul style="list-style-type: none">D-110 alternative is out there and being used by the community. No issues reported.D-310 updating will take place once IROC is completed and ready to push information to the group. The ROSS D310 is still available and if any of the geographic areas wish to put on an existing D310, this group supports. The training from ROSS to IROC will remain as normal Business the real change will be in the look and feel of the IROC program.D-510 Nominations due and looking at nominations in October. The course is scheduled for April 2020 and if there is a need for a second session, October 2020.Updated the Dispatch Job Aid. Adding NERV and other updates. Checked all links. Job aid is on the NICC and GBC websitesDispatch Efficacy Working Group: Bill Fletcher<ul style="list-style-type: none">Tasked to issue paper on in support of incidents, coordinating with Incident Business. And what is appropriate business wise.ROSS/IROC Change Board: Kenan Jaycox:<ul style="list-style-type: none">Recommendation was approved by NCSC for Kenan's replacement with Ted Pierce at NWC as Chair.ROSS/IROC Reports Management Board: Dan O'Brien:	All

Agenda Items & Notes	Presenter
<ul style="list-style-type: none">• Nothing to report,○ Website Standardization: Brendan Neylon:<ul style="list-style-type: none">• Nothing good to report. No IT support from any of the agencies as of now. Ryan working with WFIT, tried to connect but now has his priority on ICAP program.○ Intelligence SC: James Silverstone:<ul style="list-style-type: none">• Intell Coordinators busy in their GACC or helping other GACC. Conference call scheduled for next week. Agenda topic is the fuel model SIT/209. New Vice-Chair Phil Seligue (CAL fire) assumes role in Dec.○ 209 Change Board: Sean Peterson:<ul style="list-style-type: none">• Updates need to be made, 209 working with IRWIN to read resources in. Updating user guide for 2020.○ CAD SC: Celeste Hancock:<ul style="list-style-type: none">• Not on Call, emailed update:• We will be getting a new representative for Eastern Area. Ryan Kingsley has accepted a new position outside of dispatch and he is working with the GACC Center Manager to get a new designee for our committee for their area.• The MBS Contract Readout date is scheduled for Tuesday September 17th in Boise. Excited to hear what recommendations we get from this.• NICAD has been asked to designate 6-8 users to do user presentations during the WildCAD Conference portion of CDAT. We are working to get a broad representation of users (approx. 1 from each geographic area) to give a 3-5 min presentation on different procedures done within CAD to be shown to the user community (i.e. preset text messages, link menu, numbers tab, etc.)○ Fair share Cost Analysis Tool (FCAT): Stringer/Williamson<ul style="list-style-type: none">• Chris Buzo and Sean Triplett, documents for the WFIT meeting so that we can move forward. Was hoping this would be a national effort. Working on a meeting considering that IRWIN can feed the data and not be manipulated.○ National Center Managers Group: Dan O'Brien:<ul style="list-style-type: none">• Conference Call 1st week of August:• AAR of Condor 26 real time IR• Managing incidents within an incident and right timing of connectivity.• Next call tomorrow: Agenda topics for the National Coordinator Meeting in Dec. COOP practice, ICAP etc.○ IRWIN: Kara Stringer/Chuck Wamack:<ul style="list-style-type: none">• Integration testing in August could not test everything. Thursday training specific conflict resolution. Resources portion. IRWIN goes live March 9, 2020.• Contacted by George Smith Freqs talking about integration.• Knee Board sticking point, need data elements and how to display.• Laura Barrett final fire reporting (INFORM) superuser on FS side will be testing the capabilities of firestat to INFORM. And graying out wildCAD data when the final fire report is completed.○ CDAT: Chuck Wamack/Kara Stringer
