Dispatch Academy Task Group Update

CR for FS with direction to proceed forward with academy.

Finalizing training cadre next week.

Tracy, Katie, and Sean will co-lead basic academy.

Student nominations is open until November 15.

Basic academy will take place February 24-March 14 in Bell Buckle, TN.

Intermediate academy will be offered fall 2025.

Flight Strip Standardization

Form has been static without update or change responses.

Aerial supervision requested pilots being allowed to utilize their own IFR form they submit to the FAA rather than the flight strip.

Provided draft policy language to send to NIAC for review.

Provided clarity on terminology and instances the flight strip would be required.

Most of the language that would need to be rectified would be in the national mob standards, rather than in the Redbook.

Send draft language to NIAC for review and comments. -Support

Sean will send email with the proposed language and recommendations to Mike Reid.

Annual Meeting

Recommend hosting the meeting in SLC this year.

Suggest February 11-13 with travel on the 10th and 14th.

Sean will talk to Gina about meeting space at the GBCC.
