NWCG Update

NCSC Roster has been updated on the website.

Updated Dispatch Position and Curriculum Subcommittee website.

Released all detailers, but working to fill vacant positions.

S-320 Charlie test course scheduled for next week.

REMS Standard with FireScope now has interim guidance.

Pause memo will be extended to get through IPTM and CIM changes.

L-280 will be required for single resource boss positions, and developing crosswalk for leadership courses.

IMT Association is a new associate member of NWCG.

Dispatch Academy Task Group Update

Curriculum solidified.

Monthly call scheduled for Thursday.

Opening registration for Intermediate Academy participants in June.

Unit Leads travel November 2, wrapping courses up November 14.

Held at Redmond Training Center.

2025 Aircraft Flight Schedule Correspondence to NIAC

NIAC supported form becoming a national standard.

Concern with some of the policy language, will be addressed in NISRM change requests for 2026.

Eric Rhoden may assist with technological form dissemination efforts through Hannah.

NIAC will be the steward of the form and will need to submit to NWCG Publications.

NCSC will send the form out through the NCCM distribution list.

Incident Business Committee Update

National BUYT training occurred last week with 300+ participants.

Jamie Wade met with all BUYT Coordinators.

Updated Briefing Paper on BUYTs should be distributed in the coming weeks.

BUYT will be primarily in charge of micro-purchasing, AIMS and DOI equivalent will complete warranted work.

Compiling a list of items BUYT are unable to purchase.

Agencies looking for SMEs for task group to review exhibits and documents within the Master Agreement.
