| Hank Rowland X | Brent Ruggles X | James Christian | |
| Shawn Nagle X | Joe Sean Kennedy | Carol McElroy -FEMA- Guest X | |

X = Present

Discussion and Updates

Endorsement Tasking Update – Ken

- Logistic Endorsement SME meeting went well. Still must evaluate MEDL.
- Planning Endorsement SME group will meet for first time March 4.

USFA AHIMT Strategic Goals (#4) - Steve

Verbiage being considered:

(4) Support the Wildfire Mission at all levels

Federal and State land management agencies have a long history of using IMTs to manage large and/or complex wildfires as well as non-fire incidents. Although, many positions on wildland fire IMTs require specific knowledge, skills, and abilities related to wildfire, other positions require expertise in core ICS functions. All Hazard IMTs have the core ICS expertise to enhance and augment, the capacity and capabilities of existing wildland fire IMTs to meet increasing national and state response demands.

- Enhance the Federal and State land management agencies' resiliency and capacity to manage wildland fires by supporting existing wildland fire IMTs with appropriately trained AHIMT members.
- Advocate for cooperation among State emergency management and State forestry agencies to allow for shared resources among wildland fire IMTs and AHIMTs, as well as mobilization of AHIMTs through the wildland fire mobilization system.
- Support and prepare AHIMTs for support to wildland fire operations as appropriate, including:
 - managing a fire incident with the support of key wildland fire positions supporting Command and General Staff
 - independently supporting activities under direction of a wildland fire IMT (e.g., coordinating evacuation/re-entry of a jurisdictional area)
 - independently supporting a GACC or other entity (e.g., managing a mobilization center)
- Continue to align and share areas of mutual effort with interagency wildland fire IMTs to ensure ongoing standardization, succession, and interoperability.

Final input deadline is COB PST Monday February 28, 2022.

NIMS Alerts

Hank Rowland (FEMA)–

- Jan 10 NIMS Alert: National Resource Hub launch/release
 - Link: [FEMA Launches the National Resource Hub to Unify Resource Management Nationwide \(govdelivery.com\)](https://www.govdelivery.com)
 - 3 completed, 3 to go:
 - Mar 8: OneResponder/CET #1
 - Mar 15: RISIntro #2
 - Mar 22: OneResponder/CET #2
 - Visit the NRH “Events” page to see schedule and register for webinar, if interested: [Events - National Resource Hub - Preparedness Toolkit \(fema.gov\)](https://www.fema.gov)
- Feb 8 NIMS Alert: National engagement for EOC How To Quick Reference guide
 - Link: [FEMA Seeks Public Feedback on Emergency Operations Center How-To Guide \(govdelivery.com\)](https://www.govdelivery.com)
 - Includes additions to sections throughout document to cover lessons learned from COVID-19 EOC “virtualization”
- Feb 15 NIMS Alert: Final Publication of Architect resource type
 - RTLT link: [View Position Qualification - RTLT \(fema.gov\)](https://www.fema.gov)
- Scheduled for 3/1/22: EOC Management Support Team National Engagement
 - Updated to match EOC Skillsets, lessons learned, etc.
- Scheduled for 3/8/22: Local Elected Officials Guide national engagement
 - PIB product – Can provide POC, if interested
- Scheduled for 3/15/22: COSS final publication
