Topic & Notes	Decision
 Oregon and Washington will be following close behind California. 	
 Follows Air Quality Index. Firefighters are exempt. Will affect those working in fire camps. 	
Emergency Medical Committee (EMC) and Wildland Fire Medical and Public Health Advisory Team	N/A
(MPHAT) Update:	
Updated guidance on COVID.	
• Draft of updated COVID testing guidance will be reviewed by Fire Management Board (FMB) next week.	
COVID Reporting System share point.	
o Pilot testing this week. Will work with Geographical Areas and National Multi Agency	
Coordinating Group (NMAC) on how to introduce to the field in the next few weeks.	
OHSA- Standards for COVID.	
o Should be out next month. Will provide guidance on type of face mask for the workplace.	
Subcommittee Updates:	Review of Chainsaw Standards at June
Mental Health-	meeting.
o Reworking logo.	
Currently paused video project to regroup.	
Working on suicide prevention week for September.	
Hazard Tree and Tree Felling- Dreft Chaircovy Standards need review by PMC	
o Draft Chainsaw Standards need review by RMC.	
 "When Complexity Changes," video almost complete. Briefing BLM National Fire Operations next Wednesday. 	
 Briefing BLM National Fire Operations next Wednesday. PMS- 212, Wildland Chainsaws. Chapter 2, work area control. Chapter 3, risk assessment. Work 	
group moving forward with training to learn processes and human factors. Chapter 4, tree	
condition. Condensed PHD tree anatomy. Chapter 8, risk refusal. Standards backing sawyer it	
leaving certain trees standing. Chapter 9, advanced sawyers moving on from S-212.	
• 6 Minutes for Safety-	
• Week of Remembrance- Final draft next week. No major changes to content. Expanding to	
different social media platforms. Great suggestion about highlighting those we lost during week of	
remembrance.
