

Wildland Urban Interface Mitigation Committee

Minutes – November 2, 2022

Time: 10:03 MT 11/2/2022

Part 1: WUIMC November Meeting

Roll Call

Annie Schmidt, Erin O'Connor, Sheryl Page, Daniel Beveridge, Martin Cassellius, Ashley Whitworth, Faith Berry, Jolene Ackerman, Sarah Lee

Approve October Meeting Minutes

Dan Beveridge: motion; Faith Berry: seconded. October minutes approved.

Historian

Shared opportunity for participation.

Discussion/Follow-up Items

- Glossary Terms – update/feedback. They were shared yesterday except structure ignition zone, which will be shared tomorrow. Working on a better format on submitting these terms. Some terms not owned by our committee were sent back, they were fine accepting our changes made some corrections on structure ignition zone and CWPP. At our December meeting we will review the feedback.
- Committee Meeting – face-to-face COVID has impacted this for our committee, fall travel has not worked out. Considering other times of year due to federal budget needs. Late February to March. Maybe tag onto IAFC conference or IAWF Cohesive Strategy meeting. Agreed tag onto a conference we are already attending.
- CEPC/WUIMC Joint Virtual Meeting? Sounds good.
- Update on NWCG Publications meeting

Wildland Urban Interface Mitigation Standard

- Discussion/finalize – waiting on glossary terms
- Maintenance and update schedule
- Reviewing the standard, the field guide will be ready in the spring.
- Go through the Standard. The team went through the standard to make sure we are all good with it before submitting this winter. The work was not completed Erin will clean up and send to committee for final review.
- [WUI Mitigation Standard](#)

Where do we go from here? (All)

Report-outs/Round Robin (All)

Break 1130-1200 MT
