Discussion/Follow-up Items

- **Wildfire Mitigation Field Guide**

- The Field Guide has been printed and is at the Cache. However, it is not in any Catalogs for Ordering. The process of ordering will need to be investigated.

- **WUI Mitigation Training (All)**

Action items from the previous training meeting:

- Jennifer — Contacted a Representative from the Incident and Positions Standards Committee (IPSC) regarding the NWCG course updates along with discussing a WFSTAR RT-130 mitigation video.
- Also, an idea to provide WUI Mitigation training at the Fuels Academy, which is becoming more interagency.

- **WMTM/L positions (All)**

- USFS is socializing the positions and working on getting them ordered on incidents.

- **NWCG Restructuring**

- The listening session is set up for 6/12/2025 at 10am CT with the Executive Board, looking for additional committee members (1-4) to participate. Jennifer and Bruno agreed to participate.

- **Membership**

- Any Update on replacement of Jolene? – Daniel agreed to contact David Celino from MA to look for candidates. Marty will contact Larry Mastic with same request.
- Marty — discussion with Aitor about the possible replacement of Faith and the upcoming Listening session with the Executive Board.
