Discussion/Follow-up Items

- **Welcome Steven Gaskill – New NWCG Branch Coordinator!** – Will be transitioning with Sarah to coordinate our group.
- **Wildfire Mitigation Field Guide** – Process for Ordering – Sarah sent the process out to the group via email.
- **WUI Mitigation Training** (All)
 - Action items from previous training meeting: any further discussions on production of a WFSTAR RT-130 mitigation video. Jen and Jon will work on consolidated proposal with folks needed for reviewing
 - Completion of Project Intake Form - Jon and Jen
- **NWCG Restructuring** – Will have better information by next meeting.
- **NASF Representatives** – Discussion on replacement of Erin, Faith, Jolene? Sarah contacted Greg Smith, Executive Board Rep for NASF to let him know that the WUI Mitigation Committee is now in need of two reps (NE and SA).
- **WMTM/L positions** (All) – Piloted on Forsyth Fire, good feedback provided, residents completing more mitigation actions long after the resources engaged them.

Report-outs/Round Robin (All)

BLM: The Fire Mitigation, Education, and Prevention Program National Lead (vice Skinner) will start in October. This individual will be focusing on Community Assistance Accomplishment Reporting as well as working on the Secretarial Order tasks. The process for Financial Agreements for Fuels and Community Assistance can once again move forward after a DOI pause on all new agreements.
