Describe the Proposed Change* (Provide a concise description):

Required position to take this course - Current required: Dispatcher, Flight followers, Aviation Mangers, Fixed-wing managers (Both - non special use and Special use), Helicopter managers (both flight DOI and resource), Project Aviation Manager,

Change: Remove Dispatcher and Aviation Managers requirement for taking course.

Description of the Issue/Reason for Change* (Concise overview and background):

Required position to take this course - the SME group feel that this course should NOT be taken by Aviation Dispatchers. The content covered in the new A-207 class covers the dispatcher responsibilities as it pertains to Aviation Project & Mission Planning. Most of the information that will be part of the rewrite of A112 class was taken from the new A207 Aircraft flight planning class.

The SME group feel that this course should NOT be taken by Aviation Mangers. The group feels the content of this class is to basic for aviation manager position for make the decision, if an aircraft is need to complete an aviation mission. The SME group

Systems Affected by Change* (i.e., IAT Website, IAT Guide, Policy):

Date: 2/23/22 **Name:** Tori Leshuk- Chair

Rationale:

Concurrence for removal of A112 from Aviation Dispatcher Training plan. The Aviation Manager training plan will still require A112
