The Risk Management Committee would like to request any Fire Agency/Organization that experiences a fatality(s), or entrapment(s) to follow the guidance provided on this form: [PMS 405-1 Fire Entrapment / Fatality Initial Report](#). In the event that a wildland fire entrapment or fatality occurs, it should be reported immediately to the National Interagency Coordination Center (NICC). A Wildland Fire Entrapment/Fatality Initial Report should be completed and mailed to NICC electronically or by fax machine within twenty-four (24) hours.
