

Fire Strategy Confine Percentage

Status: Grandfathered

Description

Indicates the percentage of the incident area where the fire suppression strategy of "Confine" is being implemented.

Business Rules

1. Common strategies include Monitor, Confine, Contain, Point/Zone Protection, and Suppression, but hybrids and novel strategies may also be developed as the situation demands.
2. One or more strategies may be employed on any given wildfire. The strategy or strategies being employed may vary temporally or spatially.
3. When documented as percentage, the sum must be 100.

Identity & Classification
